Dear Sirs: I received the Foot Drafts and used them as directed, my Rheumatism has all disappeared and I am feeling fine. I will always speak a good word for them. I know they are good, because my mother and my husband both used them a long time ago, and they haven't had the rheumatism since.

Yours truly,
MRS. L. J. SHIPPY.

Dear Sirs: In regard to the Magic Foot Drafts, I will say I can recommend them gladly to anyone. They are alright, if used as directed. I must tell you that I **and** not get them myself, but sent for them for my husband; he had rheumatism for about six months; his joints would swell, in fact he suffered untold agony. We tried many remedies but found no relief for him until I tried your Foot Drafts, in 48 hours after he commenced to use them I could see he was resting better. He used 6 pairs of the Drafts and is feeling fine. Those Magic Foot Drafts are great. I can't praise them too much.

Will close by thanking you many times for the relief your Magic Foot Drafts has given my husband.

Yours very truly,
MRS. WM. JOHNSON.

Gentlemen: Your favor to hand and contents noted. I have been away for some time or should have answered sooner.

I cannot find words to express my feelings to you for the benefit your Foot Drafts have been to me. In the first place, let me tell you how I was afflicted with Rheumatism, since I came out of the late war in 1865. I contracted Rheumatism while in the army with resulting heart disease, so the doctors say, and for years suffered more or less, and in late years got so I had to drop out hard work to a large extent. A year or two before I had tried your Foot Drafts I got so bad off I had to take my bed the largest part of the time. I could not step down stairs, or up for that matter, without help. The past year I carried on my farm alone with the help of a 13 year old boy except haying, and milked 12 cows. I have 20 head net stock. In haying time I hired two \$2.00 men and they found I could keep them busy.

Don't think I am bragging, I am not, but I want you and all the world who are suffering with Rheumatism to know how much your Foot Drafts have done for me. I have told lots of people about my case, people who know how I have suffered, and they could hardly believe their eyes.

Should you wish to use this, I give you liberty to condense what I have written as much as you wish, but don't make it mean any less than what I have written.

Yours truly,
W. H. SIMONDS.
